FACILITIES- experienced teaching faculty, lab technician, suffosticated equipments, charts, models and dept. Library books.

FACULTY

Dr. Narayan S
Prof./HOD

Dr Narayana S currently working as professor and HOD in the department of Kriya Shareera has been an admirer and practitioner of Ayurveda since his induction into the field of Ayurveda. He is guided by the philosophy of practice first preach next. His strong faith in Ayurveda stems from self-practice. During his postgraduate days he worked extensively on Knee joint arthritis. The treatment protocol included both external and internal measures to relieve the joint pain and stiffness. The highlight of the treatment however was the use of leeches in pain management which won him a lot of recognition.
